Summary

Data Engineer at **Xebia**, a client-facing consultant in a global apparel retail brand's **data platform** team, building **ETL/ELT data pipelines**, **CDC** and **data models** on **GCP** with **data quality** and **AI**, partnering with product owners and **BI and data analysts** to keep their **Looker Studio** sales and demand reporting trusted.

Experience

Xebia | *Full-time, Gurugram, India* **Aug 2024 – Present**

Junior Consultant – Data Engineer | Global apparel retail brand (client) Jul 2026 – Present

- Consolidating two forked **Dataproc** templates into one framework component for **600+ pipelines**, adding time limits after finding batches killed at 4 hours were reported successful; identical output on all **628** configs.
- Designed and released per-task time limits in the shared **Vertex AI** pipeline framework used by **4 repositories**, sized from measured production run times with alerts naming the failed task; enforced on **9** e-commerce pipelines.
- Cut the run cost of the most expensive **Spark** pipeline by **98%** and ended its repeated 4-hour timeouts by pruning lookup joins and partition scans; right-sized clusters for **29 pipelines**.
- Led preprod validation of **7 Hybris** pipelines on the new **SQL Server Hyperscale** source; all 7 matched.
- Triaged **production incidents** and escalations, reviewed **109 PRs** in **8 repos** and wrote **14 design docs**.
- Restored a missing attribute across **6 months** of marketing events with a chained **DBT** backfill for marketing analysts (**32 TB** scanned), reconciling **4,200** hourly windows and repairing **1,455 missing records**.

Technical Trainee | Centre of Excellence dept. | Global apparel retail brand (client project) Aug 2024 – Jun 2026

- Led the migration of **13 e-commerce data sources** from Databricks to **Dataproc** and **BigQuery**, each validated.
- Designed **CDC** for **72 OMS order tables** with **Datastream** and BigQuery snapshot and change views as the **single source of truth** for order reporting, to replace **Qlik**.
- Built **Dataplex** data-quality scans for **2 data products** with thresholds tested on years of production data, and a **CI gate** that blocks DBT models without a scan.
- Centre of Excellence: built **RAG** document extraction on **Weaviate**/**ChromaDB** and a **Claude** (**AWS Bedrock**) Terraform linter covering all **6 Well-Architected pillars**.

Projects

imaarat.ai | *FastAPI, DBT, DuckDB, LangGraph, Langfuse, PostgreSQL*

- Open-source **AI underwriting platform** for Indian commercial property: a deterministic rule engine scores each proposal against official seismic, flood and cyclone data for all **19,312 PIN codes**, AI explains, a reviewer signs off.
- Built the data layer: **Shapely** joins for PIN hazards, nightly **ELT** from PostgreSQL to **Parquet** with **9 DBT models** and **26 tests** on DuckDB; **LangGraph** agents read **26 languages** over **MCP**/**A2A**.

NYC Taxi Lakehouse | *PySpark, Delta Lake, DBT, DuckDB, Airflow*

- **Delta Lake** lakehouse over **9.5M trips**: quarantines **3.9%** bad records via 5 reject rules, blocks bad loads with a 7-check quality gate, and serves DBT marts with **63 tests**.

Technical Skills

Languages: Python, SQL, PySpark
Data Engineering: Spark, DBT, Airflow, Delta Lake, Databricks, Hive Metastore, Data Modeling, Data Quality
Cloud (GCP): BigQuery, Managed Service for Apache Spark (Dataproc), Knowledge Catalog (Dataplex), Vertex AI Pipelines, Datastream, Dataflow, Cloud Storage, Pub/Sub
AI: LLMs, RAG, LangGraph, MCP, A2A, Weaviate, ChromaDB, GitHub Copilot, Claude Code, Amazon Q
Tools & Databases: Git, GitHub Actions, Docker, PostgreSQL, MongoDB, Looker Studio, Jira, Confluence

Certifications & Achievements

Certified: FDE-1, GCP (Oct 2026); GitHub Copilot X-AI Practitioner+ (Sep 2026); Salesforce Developer (Jul 2023)
Activities: Mentor, Xebia Tech-AI-Thon; NSS Community Lead; Grade 8 Keyboard, Trinity College London

Education

Kalinga Institute of Industrial Technology **Sep 2020 – Jun 2024**
Bachelor of Technology in Computer Science & Communication Engineering (8.32 CGPA) *Odisha, India*

Delhi Public School Surat **Mar 2020**
12th Standard CBSE (81.2%) *Gujarat, India*
